

What Does "Participating in MOC" Mean?

By participating in MOCA 2.0[®], you're continuously assessing and maintaining your medical knowledge and taking part in quality improvement activities to ensure you're providing high-quality care for every patient.

FOLLOW THESE MILESTONES TO ENSURE YOU MAINTAIN A "PARTICIPATING IN MOC" STATUS:

> EVERY YEAR

- Register for MOCA 2.0 annually in your portal account
- Answer 120 MOCA Minute questions by 11:59 p.m. EST on Dec. 31

- Have satisfactory medical licensure
- Have completed half of your CME (125 credits)
- Have completed half of your Quality Improvement activities (25 points)

END OF YEAR 5 <

> END OF YEAR 10

- Have satisfactory medical licensure
- Have completed all of your CME (250 credits)
- Have completed all of your Quality Improvement activities (50 points)
- Have completed an attestation of clinical activity for each certification

FIND YOUR PARTICIPATION STATUS

Your status is displayed on the **Diplomate and Candidate Directory** on our public website and in your portal account.

- If you are maintaining multiple certifications, you may be considered participating in MOC for one certificate but not for another.
- The "Not Participating in MOC" designation doesn't impact your certification status unless your certificate expires and you have not completed the MOCA 2.0 program.

MOCA 2.0[®] is a personalized, web-based continuing certification program.
